

Meeting Notes – 2nd March 2016

Nottingham City Learning Disability
Autism Partnership Board

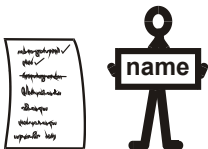

We use a paperclip symbol when there is extra information with these notes or on the SPLAT website:
<http://www.nottingham-splat.weebly.com>

Welcome

19 people came to the meeting.

Introductions

Everyone said their name and the group or organisation they speak for.

Annie said Cllr Jackie Morris is sorry but she cannot be the Splat Chair when she stops being Lord Mayor in May.

The list of people who came to the meeting and people who said they could not come.

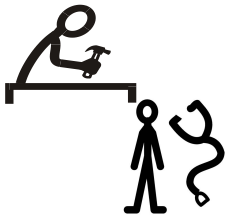

Actions from last time

Most things we said we would do are covered in the updates.

Ken and Annie still need to pull together the 'information toolkit' or checklist for organisations to look at their leaflets and other information.

Work and Health - update

Claire will find out about the City Council actions on Work and Health from the July Splat Board.

She will talk about them at the next Splat Board in June.

Liz said there are new national and local Work and Health programmes.

There is some money from Europe for this.

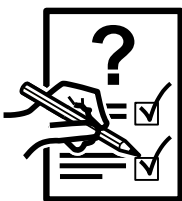

Nottingham City Clinical Commissioning Group is looking at the most important things to work on for the next 3 years.

Things we agreed about Work and Health

Splat must make sure:

- People with a learning disability and autistic people are included in talking about the Health and Wellbeing Strategy (plan) the CCG's work for the next 3 years

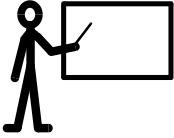

- Jim can join the **Work Group**.

- People and their families expect to have the chance to work.

Advocacy - update

We showed a presentation from the Working Group about advocacy cards.

These will remind people who to phone if they need to ask about advocacy.

Robin and Emma said the Martin Jackaman Voice group will work on the card with Nick and Jim.

Nottinghamshire and Nottingham City have agreed how to ask services to provide advocacy. They have not chosen an advocacy service to do this yet.

Things we voted and agreed about advocacy:

- The new advocacy contract (agreement) should ask for local phone numbers and local people to contact

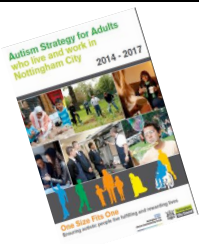

- Ask Rasool to involve Splat when they make decisions about how the new contract will work for people with a learning disability and autistic people (for example, ideas about how to give 'non-statutory' support)

- Annie and Ken will ask Rasool what is happening and when and how Splat can be involved.

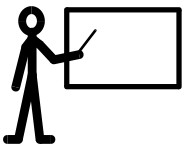

- Presentation about advocacy cards

Autism Co-production Group - update

The online training about autism will start soon in the City and County.

Autistic people are involved in training about autism

On April 7th we will launch:

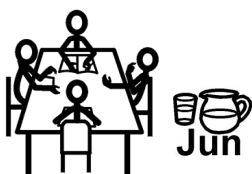

- The new website for autistic people
- A film about employing autistic people
- Nottingham National Autistic Society (NAS)

Working with carers – update

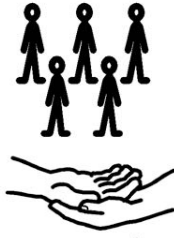

Ken said the City and County will work together to try to involve more carers.

There will be a 'carers' summit' (a big meeting) in June.

Fasttrack - update

Fasttrack is a government plan to help people get good care and support in the community. It is part of **Transforming Care**.

Nottinghamshire is one of 5 areas to try the plan first.

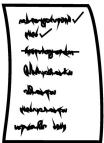

Emma Dashfield works for the NHS.

She talked about how they will ask what people think should happen for people with learning disabilities and/or autism whose behaviour 'challenges':

- Public meetings and meeting with groups

- Questionnaires – paper and online

- Come to the Splat Listening Day in April.

Things we agreed about Fasttrack:

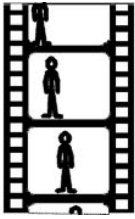

We can use the 'big ideas' in the Fast Track report for other consultations about what people in Nottingham need.

- poster about meetings.
- Transforming Care questionnaire
- EasyRead version of the questions.

Safe places - update

Denise showed a film about Safe Places.

She said there are lots of new places – look for the stickers!

Next year she wants to make sure people carry their cards and know how to use them.

The Working Group and Splat Board gave her lots of ideas about how to do this.

Things we agreed about Safe Places:

Ken will tell Denise who to contact to ask about showing the Safe Places film in cinemas.

[Link to the Safe Places video](#)

Splat Annual Report

Wayne and Micky showed ideas for the Splat report. People want just one report with photos and 'accessible' words.

What we agreed about the report and the most important things for Splat to do this year:

Everyone agreed with the ideas for the report.

- Include the Information Fair and add to the 'virtual fair' on the Splat website
- Put links to the reports on the Splat website so people.

Things to work on this year:

Choose a chair and co-chair.

Think about the whole of people's lives and all the different things they can do

Talk to providers about a 'provider forum'

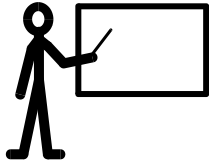

Plan a celebration lunch

Presentation about the report

News-round

Free training for unpaid carers

Personal Assistants and unpaid carers can go on Percurra's staff training.

There will be a free place for 1 unpaid carer on each training course.

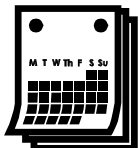

The City Council want to know what people think about their Vulnerable Adults Plan. The consultation ends on the 29th March

- Percurra Training Programme
