

Smile! Stop Hate Crime

- Who we are** Smile! Stop Hate Crime (SSHC) is a learning disability hate crime project based at Nottingham Mencap
- What we do** SSHC campaigns to increase the reporting of disability hate crime, and to improve how it is dealt with by the police and in the courts
- What's new or different?** SSHC are setting up a **Safe Places** scheme. This will encourage all people with learning disabilities to get out and live full lives in their communities, knowing they can get support if they need it.
- Who is it for?** People with learning disabilities, people with autism and their carers
- How to find out more**

Safe Places

This sign is in the window of shops or buildings where you can go if you get into trouble or feel unsafe, frightened or bullied.

Our website has maps to show where safe places are.
