

Nottingham City Vulnerable Adults Plan: 2016 Refresh

We want to know what you think

We are asking people to tell us what they think should be in the new Vulnerable Adults Plan.

When we have heard all the ideas, we will use them to write the final version of the new plan.

Before you start:

There is an easy read guide to the Vulnerable Adults Plan: 2016 Refresh.

You should read it first so you know what we want to do in the new plan.

It's OK to ask someone to help you read it with you. It is OK to ask someone to help you fill in this form.

If we share the things you write, we will not use your name.

There are no right or wrong answers, we want to know what you think.
